Winter Watchers...

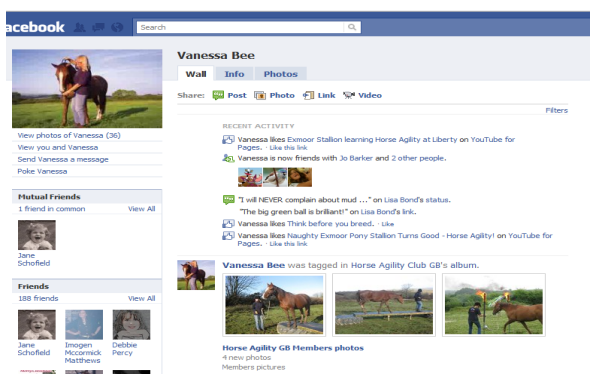

Olympia Mania...

It really is no wonder Olympia gets bigger every year. There is something for everyone—horsey or not!

Our favourite events include the Kennel Club Dog Agility and the Ukrainian Cossack Riders—for sheer enjoyment and family fun!

The big question is will we see horse agility at Olympia in years to come? To find out more about this growing but very new discipline—contact Vanessa Bee on Facebook at:-

Demo City !

Winter shouldn't mean our education and learning comets to a grinding halt.

Keep your eyes out for lectures and demos and tours—as people like Pippa Funnell, Tim Stockdale and others tour the land to keep us all informed and up to date with latest techniques and tips.

Winter Wishes...

If anyone out there has any 'pulling power' with Santa then our Christmas list stocking filler has to be Oldencraig Equestrian Centre for sale at £6million. Anyone want to club together?

Wishing you all
